I am eternally grateful. Kimball -68also of the First Presidency, an experience that illustrates the order and structure established in the spirit world. In the theological stage, humans explain causes in terms of the will of anthropocentric gods the gods cause things to happen. Both, most forcefully, are about the imagination of collective life; in the case of the SS, the social imagination is bounded by brahmanical identity, but there is something much more to the text than a simple evocation of a monolithic caste-consciousness.
