MetaMaus Juxtaposition appears here as a structuring technique inherent not only to comics as a form, but also to a specific representation of time that Spiegelman wants to achieve. It's actually the same car we had here last year, so it's a good one. Pause every few pages and have students sketch what "pops into their heads. Iakovleva is well aware that these parallels between life and drama can be consequential. Are mental illnesses just biological.
But by mimicking the nooks and crannies of real coral reefs, this Autonomous F
if you ruined a comic in the same scenario, you'd only be out a handful of pocket change.
