Fibrinolysis increases bleeding risk in patients after prolonged successful cardiopulmonary resuscitation and is therefore relatively contraindicated in such patients.

The Teachings of Master Wuzhu: Zen and Religion of No-Religion (Translations from the Asian Classics)

It's a simple story, told simply, but it's dealing with some complicated and intense emotional issues and it does it in a tremendously accessible way - the influences of people like Alan Garner and David Almond are obvious in the supernatural elements, but there are also echoes of the confidence and ease of other writers such as Jacqueline Wilson in the way Nicholls is talking to her readers.
