The book The Kings Passport published in just a year before Lovecraft wrote his story. This volume examines and synthesizes their history through each of The Kings Passport integral phases: the complex and elaborate societies that emerged and flourished in the Pre-Columbian period; the triple curse of disease, economic dependency, and political instability brought by the European invasion; the role of Native Americans in the inter-colonial struggles for control of the region; the removal of the "Five Civilized Tribes" to Oklahoma; the challenges and adaptations of the post-removal period; and the creativity and persistence of those who remained in the Southeast.
