Ranger Confidential: Living, Working, and Dying in the National Parks

And this youth of twenty, forsaken of all, in a strange place, surrounded by men who are hostile to him, amid the rich, the powerful, and the educated, who are concentrating all their energies on the task of bringing him to subjection, does not submit, but still perseveres in his heroic deed. The most significant fact about the town that furnished the setting of the story in the novel it is called Libya Hill and is clearly a fictional version of Asheville North Carolina, where Wolfe grew up is that its social and economic structure is based on white dominance over blacks.

African Literature as Political Philosophy (Africa in the New

Millennium)
