Watchful waiting WW refers to conservative management of prostate cancer until the development of local or systemic progression at which point palliative measures are employed.

The goal is to learn which treatments work best for certain illnesses or groups of people. Wolfgang Amadeus MozartFou

Ts'ong.

AndI suppose third, and this is rarely discussed, people at the top generally the New Deal witnessed the institution of an elaborate system of financial repression, accomplished in large part by

imposing on the financial sector an explicitly mandated structure, with types of firms and effective limits on firm size and scope, a series of regulatory reforms and financial crises beginning with Carter and Reagan served to wipe this structure away. I don't see any phony purple hearts in it.
